

April 26, 2010– Public Hearing#2

The Swain County Board of Commissioners held a Public Hearing on April 26, 2010. Present were Chairman Jones, Vice-Chair Lindsay, Commissioner Moon, and Commissioner Carson. Commissioner Monteith was absent.

Chairman Jones called the meeting to order.

The purpose of this meeting was to provide information on a proposed Community Development Block Grant Scattered Sites Housing Grant and receive input prior to formulation of the application.

Marian Hill provided information regarding this grant, noting the guidelines, amount of grant and also relaying that it's at the Board's discretion whether doublewides, modular homes or stick built homes be constructed through this grant.

Mrs. Hill also informed the Board that she was no longer employed through Southwestern Commission. They will no longer be administering this grant. She will, however, proceed with the application. When this grant is awarded to Swain County, a certified CDBG Administrator must be hired, and funds will be available through the grant to cover said position.
