I. Any information the County shall deem reasonably necessary for a fair determination of the capability of the applicant to provide ambulance service in the County of Swain in accordance with the requirements of state laws and the provisions of this regulation.

§120.4 Grant of franchise.

After a notice of service termination is given, the ambulance service shall reapply for a franchise if continued service is desired.

B. If any franchisee shall violate or fail to comply with any provision of this chapter or a franchise issued hereunder, said franchisee shall be cited by the County for said violation or failure to comply. The County, after a hearing pursuant to the citation, may impose a civil penalty as provided in § 120.13 hereinafter or may suspend or revoke the franchise. If, upon such hearing, the County shall find that the franchisee has corrected any deficiencies and has brought his operation into compliance with the provisions of this chapter, the franchise shall not be suspended or revoked, but a civil penalty as provided in § 120-13 hereinafter may be imposed.

C. Upon suspension, revocation or termination of a franchise granted hereunder, such franchised ambulance service immediately shall cease operations. By its acceptance of the franchise, the franchisee specifically agrees that any such acquisition occurring without prior approval of the County shall constitute a violation of the franchise by the franchisee and shall be cause for termination at the option of the County.

C. Any change of ownership of a franchised ambulance service without the approval of the County shall terminate the franchise and shall require a new application and a new franchise and conformance with all the requirements of this chapter as upon original franchising.

D. No franchise may be sold, assigned, mortgaged or otherwise transferred without the approval of the County and a finding of conformance with all requirements of this chapter as upon original franchising.
